A25

It doesn't matter how long Pizza has been around for or how it has traditionally been served, we at **A25** thought outside the box and found a new way to present pizza.

We are obsessed with revolutionizing the Art of Pizza!!

One of the principal characteristics of **A25** Pizza is the substitution of leavening with natural maturation.

WE DON'T USE CHEMICAL YEAST!

Using only the good stuff guarantees a high digestibility and distinctive flavour, so you can enjoy **A25** pizza every day and feel amazing!
